

## Resident Showcase

### Growing Up

Looking back, I see a little girl, sitting at the foot of the stairs. Her dad is kneeling beside her, teaching her how to tie her shoe laces. Later that day, her sister is helping to pick up the dropped stitches in her school's knitting project. As time goes by, brother shows how the printed word can become script. Mother shows her many of the secrets that make her meals memorable. I realize that growing up does not mean getting bigger, it means learning how to live.

Somehow we residents of Cherry Hills, frozen in time, have worked our way through that learning process. We have a lot to show for a lifetime of loving and living. Now it is as though we were back in school again, surrounded by our school mates. We have all grown up together and this is my family that I found at the end of Josephine Way.

### Reflection of Casino Night

March 15 was a successful night of fun and fundraising. Our funsters included the entire CHAL family and their family and friends.

Guests dined on finely prepared hors d' -oeuvres and exotic delights. The beverage choices had a golden flair, and depending on your beverage selection you actually had gold floating among champagne and apples. The band, 'The Hoagies Quartet' supplied through The AFFIX Group kept the energy high.

Fundraising Gentleman's bets, and prizes won added to the fun that was had by all. A successful night that also raised money for the Alzheimer's Association. Thank you to all who attended and to all who wanted to come but were not able.
