Meet The Newest Members to CHAL

BY TRICIA DUNBAR

This Fall we were incredibly fortunate to welcome Tricia (Trish) Dunbar and Cash to the team here at CHAL. Trish joins the team as the new Director of Community Life! We're also excited to introduce Cash, our newest honorary team member and the sweetest English Cream Golden Retriever you'll ever meet! Cash has quickly won the hearts of our residents and everyone here, quickly becoming a beloved part of our community. Cash is the loyal companion of our new Director of Community Life, Trish, and we couldn't be more thrilled to have them around to brighten our days! Trish has lived in Colorado for over forty years and has her undergraduate degree in Psychology from Colorado State University and her graduate degree in Education from Regis University. She has worked both in the business world and as an educator, developing curriculums for various national online high schools as well as Douglas County School District. Trish has a strong passion for learning, serving others and animal assisted therapy, which she has practiced for over twenty years with horses and her dogs. Please give Trish and Cash a warm welcome next time you see them.
