

# GIFTS FROM THE HEART

By Daphne J.

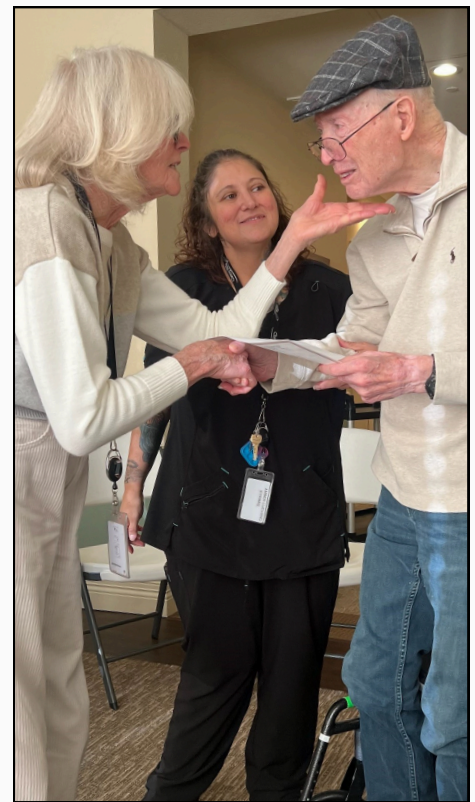

This is the time of the year when we hurry to the store to buy Christmas presents or eight smaller ones for each of the days of Hannukah. Then we hurry home to wrap them in pretty paper.

All this is traditional and heart-warming, but there is something else we have so much of and can freely give - namely words.

So often we forget to tell our family members how much we appreciate all that they do for us. We probably have not mentioned to our fellow residents of Cherry Hills how much we love spending time with them.

We have to thank every wonderful person who works on our behalf from cooks to caregiver. The words "thank you" and "I love you" will never be worn out!!

So at this wonderful time of the year, let your heart speak for you. Your words will truly be gifts from the heart.

## Santa Seals the Deal

BY SANTA'S HELPER, LOU P.

Twas the night before Christmas and my concern was how  
to get the CHAL presents under the trees,

Since the Cherry Hills buildings have no chimneys.

Then Mrs. Claus reminded me that this is 2024,

People have packages delivered to the front door.

I text the Denver UPS package store

To see if they could help with my delivery chore,

They replied, your request does not phase us,

It's what we do on a daily basis,

Have your elves bring us the gifts, as soon as they can,

Then we will arrange your entire distribution plan.

So, Santa fixed everything with his UPS call,

And it was a very Merry Christmas after all.

“Blessed is  
the season  
which  
engages the  
whole world  
in a  
conspiracy of  
love.”
