MAYOR STEPHANIE PIKO

"MAKING CENTENNIAL A SAFE,
HEALTHY & PROSPEROUS
COMMUNITY"

A Mayor for All Seasons

BY DAPHNE

On a sunny day in July, we, the residents of Cherry Hills Assisted Living, trooped into our theater to meet our mayor. There she was, tall and slender and wearing a pretty dress.

I did not know that they made mayors so cute, but cute or not, she was Mayor Piko and she represented our District of Centennial, which even has an airport in it.

We sat and listened to Mayor Piko as she told us of her past achievements and plans for the future. When all the talking was over, we all repaired to the bistro. Our Mayor came too.

Mayor Piko sat with us and told us that she was born in Florida and had attended the prestigious Florida University. No wonder she was so smart! But a visit to Colorado sealed her fate when she met the love of her life, Mr. Piko. They married and had two boys, one now married and the other with a child.

So, what we learnt that day was to be a mayor you can be a wife and mother, but you also need to be brave and strong.

We wish you every success, Mayor Piko, and thank you for representing us. We are proud of you!
