## “America is a tune, it must be sung together.”

– GERALD STANLEY LEE

As we move into the heart of summer, we're excited to celebrate the warmth, joy, and community that July brings. This month is all about creating memories, enjoying the sunshine, and staying connected with our loved ones. Please remember that whether it's listening to a musical performance, participating in a craft, relaxing at a happy hour, savoring a fresh BBQ lunch or simply enjoying the view from the terrace, you're always welcome to not just visit, but join in the fun. Thank you again for being a part of our community. We look forward to sharing a wonderful, sunny summer with you and your loved ones.

Wishing you all a happy and safe July!

Warmly,  
Your Friends at Cherry Hills Assisted Living & Memory Care

*You'll Never Walk Alone*

BY DAPHNE

Yesterday, after a session on Music Appreciation, Rorie ended with the Three Tenors singing “You’ll Never Walk Alone”.

Rorie added that, here at Cherry Hills, we have so much help we need to walk. The statement was so true that as the music played along, I found tears filling my eyes.

Some of us are fortunate to remember the times when their dear mother would take them to the car and they would run to the swings. Their legs were oh so strong.

Now we wonder if we can cross the room.

But fate has been kind to us. We shall never walk alone, while helpers show us how to, we step out in joy.

Rorie is right.
